TO: All Students, School of Architecture and Urban Design

FROM: Patti Baker, Assistant to the Dean

SUBJECT: 2007 - 2008 Scholarships

During the coming months, the School's Scholarship Committee will be meeting to determine scholarship awards for the **next** academic year. So that the Committee will know which students want to be considered for School scholarships, you will need to complete the attached form. While there are various criteria and guidelines that determine eligibility for each scholarship, any student who wishes to be considered for School of Architecture and Urban Design scholarships that are based on financial need **must have completed an official FAFSA (Free Application for Federal Student Aid) for the current academic year (2006-2007) and must also complete a FAFSA for the 2007-2008 academic year (after January 1, 2007).** Although most awards are based on need and academic performance, there are a few funds that are targeted for students from particular geographic areas, ethnic backgrounds or with particular interests.

The attached form must be completed and turned in to THE DEAN'S OFFICE (206 MARVIN) **BY 4:00 PM on Friday, December 15, 2006.** Electronic submissions will **not** be accepted from any students other than those who are currently studying abroad.
